

# Want to earn some Time Dollars?

While working on a Community Project?

## WE NEED YOUR HELP!

### Project #1- Begins Early June, 1998

The Family Workshop needs a *Landscaping Lift!* Money has been donated to the East End Children's Workshop to buy shrubs, plants - annuals and perennials! Now we need a few Time Bank members to provide some gardening services. Flexible hours. Let us know what works for you!

### Project #2 - Begins July 4 - 13<sup>th</sup>, 1998

The Family Workshop is in need of some interior *Touch Up Paint!* The office will be closed for business from July 4-13<sup>th</sup>. This would be a great time for a few experienced painters to offer touch-up services! Like project #1, hours very flexible. Let us know what works for you!!

If you (or a friend) are interested in earning some Time Dollars and would like to offer your services for either of these projects, please give us a call as soon as possible! *Thank-You!*
